

Reminder about your benefits

UnitedHealthcare New York Child Health Plus requires members to obtain a referral from your Primary Care Physician (PCP) before you see a specialist. Please refer to the section in your member handbook, **How to Get Specialty Care and Referrals**.

If you need care that your PCP cannot give, he or she will **refer** you to a specialist who can. If your PCP refers you to another doctor, we will pay for your care. Most of these specialists are UnitedHealthcare Community Plan providers. Talk with your PCP to be sure you know how referrals work.

If you think a specialist does not meet your needs, talk to your PCP. Your PCP can help you if you need to see a different specialist. There are some treatments and services that your PCP must ask UnitedHealthcare New York CHP to approve **before** you can get them. Your PCP will be able to tell you what they are.

If we do not have a specialist in the UnitedHealthcare network who can give you the care you need, we will get you the care you need from a specialist outside the UnitedHealthcare network. This is called out-of-network referral. **Your PCP must call UnitedHealthcare's Prior Authorization department at 1-866-604-3267, to get authorization for you to go to a specialist that is not part of the UnitedHealthcare network.**

The specialist must agree to work with UnitedHealthcare and accept our payments as payment in full. This permission is called "preauthorization." Your PCP will explain all of this to you when he or she sends you to a specialist who is not in the UnitedHealthcare network.

If you need to see a specialist for ongoing care, your PCP may be able to refer you for a specified number of visits or length of time (a **standing referral**). If you have a standing referral, you will not need a new referral for each time you need care.

If you are having trouble getting a referral you think you need, contact Member Services at **1-800-493-4647**, TTY **711**, 8 a.m. until 6 p.m., Monday through Friday.

Thank you for your membership.
